**I INVENTOR**  
3D mechanical CAD software to model and simulate your products before they are built

**R REVIT**  
Software for Building Information Modeling (BIM)

**A AUTOCAD**  
Professional design software for 2D and 3D CAD

**3 3DS MAX**  
3D modeling, animation, and rendering software for games and design visualization

**M MAYA**  
3D animation, modeling, simulation, and rendering software for film, games, and TV

**TINKERCAD**  
Easiest 3D Design and 3D modeling platform online to go from mind to design in minutes

# I have account/I need account

The screenshot shows the Autodesk website for AutoCAD Map 3D. At the top, there is the Autodesk logo and a search bar. Below that is a navigation menu with items like 'EDUCATION', 'Free software', 'Learn & teach', 'Competitions & events', 'Prepare & excel', 'Support', and 'Ab'. The main heading is 'A AUTOCAD MAP 3D'. Below this is a description of the software: 'AutoCAD Map 3D software provides access to GIS and mapping data to support planning, design, and data management. Intelligent models and CAD tools help you to apply regional and discipline-specific standards. Integration of GIS data helps to improve quality, productivity, and asset management.' There is a link for 'System Requirements'. The account section has two columns: 'I have an account' with a 'SIGN IN' button, and 'I need an account' with a 'CREATE ACCOUNT' button. A red arrow points to the 'SIGN IN' button. Below these buttons is a link for 'Get the free trial' and a note 'Not a student or educator?'. At the bottom, there are three dropdown menus for 'Choose your version', 'Operating system', and 'Language'. A list of links with '+' icons and 'See more' text is at the very bottom.
