Future plans: Geoskola and Bakar and Here Maps

Aims

location, access, history / geography, valorisation and a suggestion - to open a repository

Further Students' Works

- Continue to work on the Project in cooperation with the Here Company Croatia
- Individual student work on chosen areas
- Mentored work
- Students nudged to investigate and explore
- This formula can be transferred to any smaller community
- Some areas offer more, some less
- Open-end concept
- It is just the question of finances!
