

Završni rad

The screenshot displays a GIS application interface. On the left, the 'TASK PANE' contains a tree view of the project structure. The 'Data Sources' folder is highlighted with a red box, showing a sub-folder 'RH_Corona_1' which contains a 'Tables' folder with a table named '"Corona_RH_28"'. Other folders in the tree include 'Drawings', 'Query Library', 'Current Query', 'Object Classes', 'Undefined Classes', 'Topologies', 'zupanije', and 'Link Templates'. The main map area shows a red outline of a region divided into 21 numbered districts (1-21). A coordinate system with X and Y axes is visible in the bottom-left corner of the map area.
